

A Day at the Park

Level: A2 Topic: Leisure

Today, I went to the park with my friends. The weather was sunny and warm. We brought sandwiches and drinks for a picnic. First, we found a nice spot under a big tree. Then, we played frisbee. It was very fun! After that, we ate our sandwiches. I had a cheese sandwich and some fruit. My friends had chicken sandwiches and cookies. Later, we took a walk around the park. We saw many flowers and some ducks in the pond. Finally, we played on the swings before going home. It was a great day at the park!
