

A Fun Birthday Party

Level: A2 Topic: Celebrations

Last Saturday, I had a birthday party. I invited my friends to celebrate with me. The party was at my house. I decorated the living room with balloons and streamers. When my friends arrived, we played games like musical chairs and pin the tail on the donkey. Everyone laughed and had a great time. After the games, we ate cake and ice cream. I had a chocolate cake with colorful candles. I made a wish and blew out the candles. Then, we opened gifts. I received a new book, a toy car, and some clothes. My friends gave me their best wishes. At the end of the party, I felt very happy. We took many pictures to remember the fun day. I am grateful for my friends and the joy they bring to my life.
