

A Weekend Trip

Level: A2 Topic: Travel

Last month, I went on a weekend trip to the mountains with my family. We drove for two hours to reach our cabin. The cabin was cozy and had a beautiful view of the mountains. We went hiking and saw many trees and animals. In the evening, we made a campfire and roasted marshmallows. We told stories and sang songs. It was a wonderful trip, and I enjoyed being with my family in nature.
