

My Favorite Animal

Level: A2 Topic: Animals

My favorite animal is the dog. Dogs are friendly and loyal. They come in many breeds and sizes. Some dogs are small, like Chihuahuas, while others are big, like Great Danes. I have a dog named Max. Max is a Labrador retriever. He is very playful and loves to run outside. Every morning, I take Max for a walk in the park. He enjoys meeting other dogs and playing with them. At home, Max likes to play with his toys. He has a red ball and a squeaky bone. I also teach him tricks like sit and shake hands. Dogs need love and care. They are great companions and make us happy. I think everyone should have a dog because they bring joy into our lives.
