

Shopping for Groceries

Level: A2 Topic: Daily Activities

Lisa goes shopping for groceries every week. She makes a list before she goes to the store. Her list includes fruits, vegetables, bread, and milk. When she arrives at the supermarket, she takes a cart. Lisa first goes to the fruit section. She chooses apples and bananas. Next, she picks some fresh vegetables like carrots and tomatoes. After that, she buys bread and milk. Lisa likes to check the prices to save money. Once she finishes shopping, she pays at the cash register and goes home. Lisa enjoys cooking healthy meals with her groceries.
