

A Day at the Beach

Level: B1 Topic: Leisure Activities

Last Saturday, I went to the beach with my friends. We arrived early in the morning to find a good spot. The sun was shining, and the weather was perfect for swimming. We set up our towels and umbrellas before running into the water. The waves were big, but we had a lot of fun jumping over them. After swimming, we played beach volleyball. It was exciting and a little competitive. For lunch, we had sandwiches and fruit while enjoying the view of the ocean. In the afternoon, we decided to explore the beach. We collected seashells and took lots of pictures. As the sun began to set, the sky turned beautiful colors of orange and pink. We ended the day by watching the sunset, feeling grateful for such a lovely day.
