

# A Day at the Beach

Level: B1 Topic: Leisure Activities

Last Saturday, my friends and I decided to spend the day at the beach. We arrived early in the morning to avoid the crowds. The sun was shining, and the weather was perfect for swimming. After setting up our towels, we quickly jumped into the water. The sea was cool and refreshing. After swimming, we played beach volleyball and had a picnic with sandwiches and fruit. As the day went on, we built a sandcastle and collected seashells. In the late afternoon, we decided to take a walk along the shore and enjoy the beautiful sunset. It was a lovely day filled with laughter and fun. We all agreed it was one of the best days of the summer!
