

# Weekend Plans

Level: B1 Topic: Leisure Activities

Emily and her friends often plan their weekends together. This weekend, they decided to go hiking in the nearby national park. They are excited because they have heard the views from the top of the hill are amazing. Emily has packed sandwiches, fruit, and plenty of water for the trip. Her friends are bringing snacks and a camera to take pictures. They agreed to meet at the park entrance at 9 AM. The weather forecast is perfect, with sunny skies and a light breeze. Emily feels happy because spending time outdoors helps her relax after a busy week at school. She believes that being in nature is refreshing and that it helps her think more clearly. They plan to hike for about three hours and then have a picnic at the top. Emily hopes they will see some wildlife during their hike, such as deer or birds. After the picnic, they might explore a little more before heading back down. She can't wait for the adventure with her friends this Saturday.
